Medical Insurance

Gulf Coast Medical Center accepts Medicare assignment of benefits for traditional and supplemental Medicare along with various Medicare Advantage plans. Our facilities also participate with most commercial medical insurance, including HMO's and PPO's.

Gulf Coast Medical Center files all insurance claims on behalf of the patient for both primary and secondary insurance. Below is a list of currently contracted and accepted insurance plans. If you have insurance that is contracted with Gulf Coast Medical Center, you are responsible for all applicable co-pays, coinsurance, deductibles and costs for any services not covered on the day you receive the service. Please understand that we cannot waive patient balances.

Your coverage may change in 2019. Be sure to contact your insurer to verify our participation with your plan.

What if I have an out-of-network plan or no insurance?

If you have an insurance plan with which Gulf Coast Medical Center is not contracted (usually referred to as an “out-of-network” plan) or you do not have insurance, you will be responsible for payment of all charges on the day of service. Our billing staff are available to assist you in making alternative payment arrangements if necessary.

If you have further questions, please contact us at 727-868-2151.
